The Legend of Zelda Skyward Sword "Wikipedia

December 6th, 2018 - The Legend of Zelda Skyward Sword is a 3D action-adventure video game developed by Nintendo Gamecube. It is the 10th main installment in the Legend of Zelda series. The game is set in a world where the player controls Link, a young boy who is chosen to save the kingdom of Hyrule from a powerful evil. The game features a unique combat system where Link can use his sword to attack enemies from behind. The game also features a variety of puzzles and challenges that the player must solve in order to progress. The game was released in North America on August 22, 2011, in Europe on September 3, 2011, and in Japan on September 16, 2011. It was a commercial success, selling over 2 million copies worldwide. The game received mixed reviews from critics, with praise for its graphics and sound design, but criticism for its combat system and lack of variety in its puzzles.
